Dear Sir:

In response to the Office Action dated July 3, 2002 (Paper No. 7), please amend the above-identified U.S. patent application as follows:

IN THE CLAIMS

Please amend the claims as follows (A Marked-up version of the amended claims is attached):

1. (Amended) A fabricating method for an array substrate of a liquid crystal display device, the method comprising:

forming a gate line including a gate electrode on a substrate;

forming a gate-insulating layer on the substrate, the gate-insulating layer covering the gate line and gate electrode;

forming an active layer on the gate-insulating layer;
